

DHANUSH KUMAR R

ghanushv6675@gmail.com – +91 8148981872 – Chennai

Professional Summary

BCA graduate with strong foundational knowledge in programming, data analysis, and software development. Experienced in developing applications using Python and Java through academic projects and internship experience. Passionate about problem-solving, learning new technologies, and building efficient software solutions. Seeking an entry-level IT or software development role to apply technical skills and grow in a professional environment.

Skills

- **Programming Languages:** Python, Java, C++
- **Tools & Technologies:** Excel, Word, Power BI, Google Colab
- **Technical Skills:** Data Analysis, Basic Machine Learning, Software Development Fundamentals
- **Soft Skills:** Problem Solving, Analytical Thinking, Team Collaboration

Education

BCA – St. Thomas College of Arts & Science, Chennai
2023 – 2026 | First Class | 65%

Projects

AI Study Assistant

Technologies: Python, Google Colab, Hugging Face LLM

- Developed an AI-powered study assistant that generates study notes and question-answer sets based on user-entered topics.
- Integrated Hugging Face pre-trained Large Language Models (LLM) to automate educational content generation.
- Built and tested the system using Google Colab for model execution and experimentation.

Internship Experience

Java Programming Intern

Infogro Technology | One Month

- Developed and tested **Java-based programs and application modules** as part of software development tasks.
- Assisted in **debugging code and resolving programming errors** to improve application performance.
- Applied **core Java concepts and programming principles** in real-world development tasks.
- Collaborated with team members to understand project requirements and implement functional solutions.

Achievements

- Completed a **33-hour Artificial Intelligence course from Microsoft Learn**.
- Earned certification in **Fundamentals of Robotics and C Programming**.
- Participated in Debugging Event at D. B. Jain College, demonstrating problem-solving skills.
- Selected as **Brand Ambassador for Dhanalakshmi Higher Secondary School (2022)**.

Certifications

- Advanced Diploma in J2EE Programming – TNIT
- Python Programming – freecodecamp
- Artificial Intelligence – Microsoft Learn
- Fundamentals of Robotics – Softech

Declaration

I hereby declare that the information provided above is true and correct to the best of my knowledge and belief. I understand that any misrepresentation may lead to disqualification from employment. I take full responsibility for the accuracy and completeness of this resume.
